Experience

● Freelance Development

Jul 21- Aug 13 (2023)

Globe4education

<https://globe4education.com/>

As a freelance web developer, I collaborated with Globe4education to create a dynamic website aligned with their business goals and brand identity. My tailored web solutions prioritized user experience and design excellence. Thanks to my contributions, Globe4education saw substantial client and business growth.

Technologies used : HTML, SCSS, React.js ,Strapi

Key Features :

- Implemented responsive web design to ensure optimal performance across devices.
- Developed an interactive and user-friendly contact form to facilitate seamless communication.
- Integrated analytics tools for in-depth user behavior analysis, enhancing strategic decision-making.
- Executed on-page and off-page SEO strategies to maximize online visibility and organic traffic.
- Deployed a chatbot to enhance user interaction and provide real-time assistance.
- Managed deployment and hosting for seamless accessibility and uninterrupted service delivery

Projects

● Ecommerce Website

Mar 17- Apr 1 (2023)

PosterPlix

Designed and developed an e-commerce platform specialized in selling posters, utilizing **HTML**, **SCSS**, and **React.js** for frontend development. Implemented **Strapi** for backend management, and integrated **Stripe** for payment processing along with **Cloudinary** for media storage.

Key Features :

- Wide variety of categories including Anime , TV shows, and sports
- Shopping cart and checkout
- Payment gateway integration with Stripe
- Responsive design for various devices
- Chatbot functionality

● Newsapp

Mar 2 - Mar 10 (2023)

Newsmonk

Designed and developed a news application focused on delivering real-time news updates to users in an engaging and intuitive manner. Utilized **HTML**, **SCSS**, and **React.js** for frontend development, alongside **external news APIs** for real-time news integration.

Key Features :

- Real-time news updates
- Intuitive user interface
- Seamless integration of multiple news sources
- Categorized news content
- Responsive design for optimal user experience

Achievements

- **170+ Questions solved on GFG**
- **Institute Rank 25 on GFG** - <https://auth.geeksforgeeks.org/user/ayanhaq05i>
- **1400+ Ratings on Codechef** - <https://www.codechef.com/users/ayanhaque904>
- **Participated in SIH Hackathon**
- **Participated in Flipkart grid 2.0**
